WHERE DO I STUDY?

In the workplace

DURATION

Maximum of 12 months full time

QAT QUALITY
AUTOMOTIVE
TRAINING

VEHICLE BODY REPAIR ASSISTANT (AUTO BODY REPAIRS)

WHAT JOB CAN I DO?

With this qualification you can perform a range of automotive panel repair tasks on light vehicles, heavy vehicles and motorcycles, the job role is referred to as an automotive Vehicle Body Repair Assistant (Auto Body Repairs).

HOW WILL I LEARN?

You will learn mostly on the job, in a practical real world way! In addition to this you will be supported with online activities such as reading, research, projects. You will also have assessment work for each unit of learning.

WILL I BE ASSESSED?

Yes, your trainer will work with you to make sure that you are ready to be assessed in each unit, or cluster of units. You will need to complete your theory assessment, your workplace supervisor will confirm that you have undertaken the tasks as part of your work and then your assessor will observe you at work to confirm your competence. Sometimes you will need to be observed over a number of visits.

HOW LONG WILL THIS QUALIFICATION TAKE?

The Certificate II in Automotive Body Repair Technology qualification is made up of 13 units. The maximum duration of this traineeship is 12 months for full time employees and 24 months part time, depending on knowledge and experience.

IS THIS RIGHT FOR YOU?

The Certificate II in Automotive Body Repair Technology is designed to prepare new employees for work in performing automotive body repair tasks on vehicles and recognizing existing workers with this knowledge and skills.
